## Silent Auction to Benefit the Food Bank of Western Massachusetts

Dear Friend,

Since 1982, The Food Bank of Western Massachusetts has been working behind the scenes of charitable organizations that provide food to people in need in western Massachusetts. Our 400 member agency programs include meal sites, food pantries, homeless shelters, childcare centers, and elder programs. Each year we distribute more than six million pounds of food to these agencies to help feed 108,000 people in need.

This year we have teamed up with Red Stone Promotions for the Mass West Home & Better Living Show. We will be holding a raffle on site both Saturday and Sunday at this year's event. We ask that, as an attending vendor, you consider making a donation of services or product to our raffle. For every \$1 dollar raised, we can provide \$9 dollars worth of food to the Western Mass community.

Participation is easy! Simply fill out the form below and send back to The Food Bank. Then drop off your donation at The Food Bank booth, #100, on Friday, March 18th during load in, or Saturday before the event begins.

All the money stays in the local community to serve our 108,000 neighbors in need. We thank you in advance for your generous support.
